

FEATURED ALUM-A-LIFT DIE LIFTER WITH BOOM AND INTERCHANGEABLE FIXTURES

PROJECT 28769

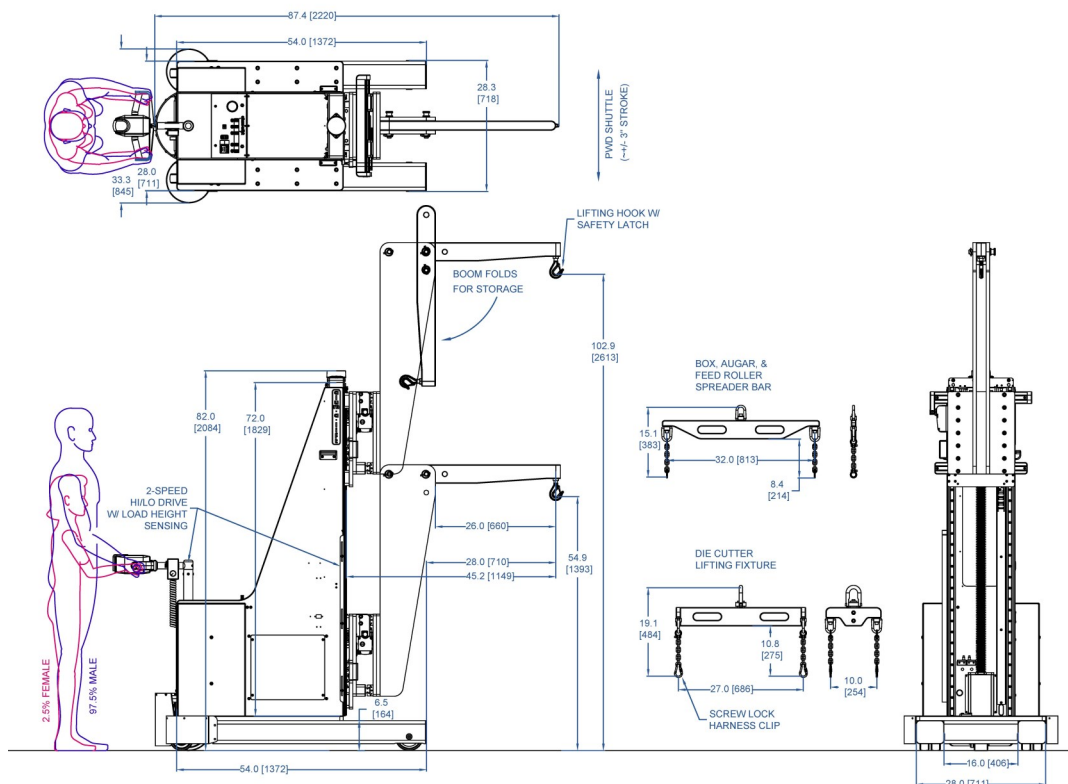

MODEL C1500CSLRPD-72

FEATURING Interchangeable Fixturing, Folding Boom, Powered Lateral Shuttle

HANDLING 1000 lb [454 kg] Die Cutters, 600 lb [272 kg] Augers, and 250 lb [113 kg] Feed Rollers

DETAILS Manufacturing of chewing gum requires heavy duty extruding and cutting machinery. The machinery needs to be frequently cleaned and changed to keep up with production of different types of gum down a single line. This Alum-a-Lift features interchangeable fixturing to handle all of the equipment on the production line. The removable fixtures and folding boom allow the lift to neatly stow out of the way when not in use.
